D&A selected by the Department of Housing and Urban Development for the Community Compass Technical Assistance and Capacity Building Program

Bethesda, MD – May 18, 2018: Du & Associates, Inc. (D&A) announced today that the Department of Housing and Urban Development (HUD) has selected D&A as an awardee for the 2017 Community Compass Technical Assistance and Capacity Building Program grant competition.

HUD's Community Compass initiative funds technical assistance, capacity building, and data research activities for HUD's customers, including grantees, public housing authorities, and native American tribes. Community Compass is designed to help HUD's customers navigate complex housing and community development challenges by equipping them with the knowledge, skills, tools, capacity, and systems to implement HUD programs and policies successfully. The goal of Community Compass is to empower communities by providing effective technical assistance and capacity building so that successful program implementation is sustained over the long term.

D&A was one of 21 organizations selected to provide technical assistance under the 2017 Community Compass grant. Organizations selected receive an allocation of funding provided to the program for a three-year period. D&A was the only new organization selected by HUD for this year's team of technical assistance providers.

This engagement is the most recent assignment for D&A. D&A provides professional consulting and advisory services to the affordable housing industry. Service areas include:

- RAD Technical Advisory Services
- Asset Management
- Property Management Transformation
- Program Compliance
- Operational Assessment & Business Re-engineering
- Financial Restructuring & Underwriting
- Training & Staff Development
- Systems Development
